An Invitation Furnishings for Our New Sanctuary

Memorials, Honors, and Gifts

Memorials, Honors, and Gifts

Memorials are lasting tributes to important deceased people in your life. *Honors* are tributes to important living people in your life. *Gifts* are made without thought of people living or dead. These kinds of support are vital to bringing our new sanctuary into being. They range from the very large to the very small. The costs listed are estimates.

People are welcome to get together to share the expense of any item.

As is the practice at Nativity, memorials, honors, and gifts will be listed in a permanent book. All who contributed to the New Sanctuary Campaign will also be listed as donors to the construction. We also plan for an electronic presentation on the 52" LCD display screen in the new narthex as well as a listing in the dedication booklet.

How do I respond?

The process is very simple. To make a commitment, please complete the enclosed form and return it to Nativity in the enclosed envelope. Pastor Stough has agreed to monitor this process and will respond within one week of the receipt of your materials.

All requests will be dealt with on a first come, first serve basis. If another donor has already spoken for the item you request, you will be notified and afforded the opportunity of making another choice. An enlarged copy of this brochure will be posted in the narthex and up-dated regularly with a line drawn through those items already gifted. Photographs or artistic renderings of the items listed in this brochure will be available in the narthex.

It is hoped that payment for these items will be made before the end of 2009, when we complete the financing for our new church. However, other arrangements can be made for payments over a longer period of time for larger items and Pastor Stough is willing to talk with you about this option. A statement of intent will be included with the confirmation of your gift.

If you want further description of an item or of this process, please contact Pastor Stough, by calling either the church office (610-395-5062) or his home office (610-395-4074) to arrange a visit for further discussion.

Please note that gifts in support of this process need to be above and beyond regular offerings in support of the mission of Nativity Church and our commitments already for the Capital Fund. Shifting of gifts from one category to another will not help and will have a negative impact on the total picture. May God bless us in our response to the exciting challenge of equipping our new church for ministry.
